

# a-mats Hygiene-Plus

## Heavy duty entrance matting

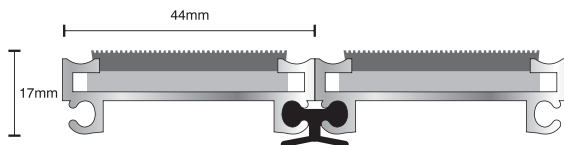

**a-mats** Hygiene-Plus is a heavy duty primary entrance mat with exceptional performance. The closed construction ensures that all debris is captured by the mat surface for a convenient cleaning operation. Suitable for both foot and trolley traffic, the design features deep profile aluminium scraper treads for maximum effect.

The matting is assembled by means of a PVC hinge which features an integral damper strip.

There is a wide variety of wiper strip options to suit almost any application.
